Annual report

I am very fortunate to present the annual (2023-24) report of Keshlata International School Bisalpur Road Navadia Jhada Bareilly.

I am delighted to share that the inspection of our school has been conducted on 20 August 2024 and very soon we are going to receive our affiliation letter for running the classes up to 12th standard in science and commerce streams although we have received the intimation code of CBSE 2134152.

INFRASTRUCTURE: Our school is situated in a lush green environment far from noise or air pollution of the city. The school is equipped with all modern facilities like digital classrooms indoor and outdoor games facilities, music and dance room yoga hall, composite and mathematics lab for the students of up to 8th standard and separate physics chemistry, biology lab for upcoming class 10th and 12th students.

We have a very good computers science lab equipped with 40 computers with LAN internet facilities, supported by a server.

ACADEMIC CALENDAR: Our academic session commences from month of April and ends in the next year of March.

Our calendar includes working days of the year activities, social and national or international days celebrations, parent's teacher's meetings, and holidays.

TEACHERS DETAILS: we have a very good team of well qualified and experienced (26) teachers which includes P.G.T's , T.G.T's , P.R.T's , N.T.T.'s , Counsellor, Librarian, Sports teacher, Special Educator, Music and dance teacher, Yoga instructor etc.

TEACHERS TRAINING: Our staff is well trained by different online and offline agencies recommended by CBSE and having proper knowledge of N.E.P. also. In this year we have planned to organise two training sessions in the school campus from C.B.S.E. recommended resource persons.

ACADEMIC ACHIEVEMENTS: As we are well aware that our school is up to 8th standard only and our result of academic session 2023-24 was 99%, only few students were retained in the different classes at the request of their parents to uplift their academic standard.

EFFORTS TO SUSTAIN ENVIRONMENT: We are focusing on each and every corner of the school to sustain the environment, for this purpose we are celebrating especially Earth Day, World Environment Day, Ozone Protection Day, and other days suggested by environment protection authorities at National or international level.

We have not only planted but also growing more than 100 trees at the boundaries of our school (inside and outside both).

ACHIEVEMENTS IN SPORTS AND ACADEMICS: As we are having each & every facility of games and sports for the students, we are motivating them and continuously sending our teams to participate in the inter school district tournaments of athletics (for up to class 8th).

From class 3rd onwards our students are very good in chess and regular participant of chess tournament organised by (Kashif Ali, Shitakshi Dixit and Divyansh Gupta won gold medals in the chess tournament held in the month of 16TH August 2024) Krida Bharti Bareilly.

Academic result of our school was 99.8% only 02 students remained in the same class as their parents requested for the upliftment of their in academics.

P.T.A. Activities: At least 3 to 4 P.T.A. meetings held in the school and the invited members especially parents are asked to give their suggestion for the upliftment of the institution. Major suggestions given by the parents to appoint a counsellor (which we have done) and to upgrade the school (for upgradation of the school process is going on).

For personality development parents suggested that each & every student must be given chance to speak in the morning assembly or at the time of dispersal which we have already initiated.

Principal himself conducts the morning assembly and students are motivated to ask 10 G.K. questions everyday which is elaborated by the principal himself.

SCHOOL MANAGEMENT COMMITTEE DECISIONS: for upcoming session following the decisions were taken by the committee: -

a.) The last meeting of SMC was conducted in the month of February 2024 in which the decision was taken to conduct a training program for the teachers and health checkup camp for the students in the month of July or first week of August, which was done

b.) Process to upgrade the school must be streamline so that we can get the affiliation on time from CBSE, inspection for affiliation (up to XII Class) has been conducted on August 20th, 2024.

On our progress pannel at CBSE website the affiliation status is showing granted and the number is 2134152.

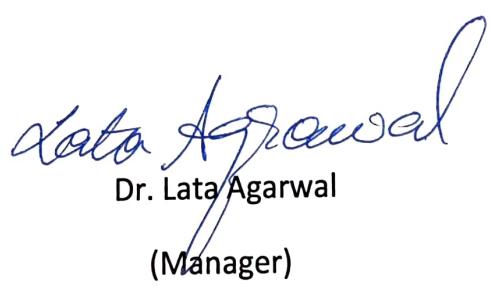

Last year the strength of the school was 209 but this year we have increased our strength to 310.

We are quite hopeful that after the full-fledged affiliation up to the senior secondary level our strength will certainly be increase as the feedback of the parents are positive and we are bound to implement the suggestion which they are giving time to time.

Thanking you
